could it be that you brought those food just for me?
woah i'm so happy
hina-ta-kun?
...

huh?
won't you feed me?
ok... now eat
bye
wh- what are you saying?!
but I can't eat by myself... look, my hands are tied up
and it was too embarrassing to ask a girl to feed me. it's great that you have come, hinata
...
anyway... what's wrong with koizumi?
did she leave saying that she had something to do?

huh?
how do you know that?
it's called "Twilight Syndrome Murder Case", isn't it?
i'm a bit sad... i liked that game quite much, you see...
don't change topic, what i'm asking you is
so you guys have decided not to play that game huh?
do you think mono-kuma will just let it be?
no ... that's
even when the difficulties are in front of you, you don't fight back... it's really not shsl-like
you guys ... should fight despair
komaeda

goodbye
i won't let you deceive me again
hey
wait, hinata-kun?
didn't you have to feed me?
hinata-kun heeey
:
he's so cold
it can't be helped
i don't want to starve here

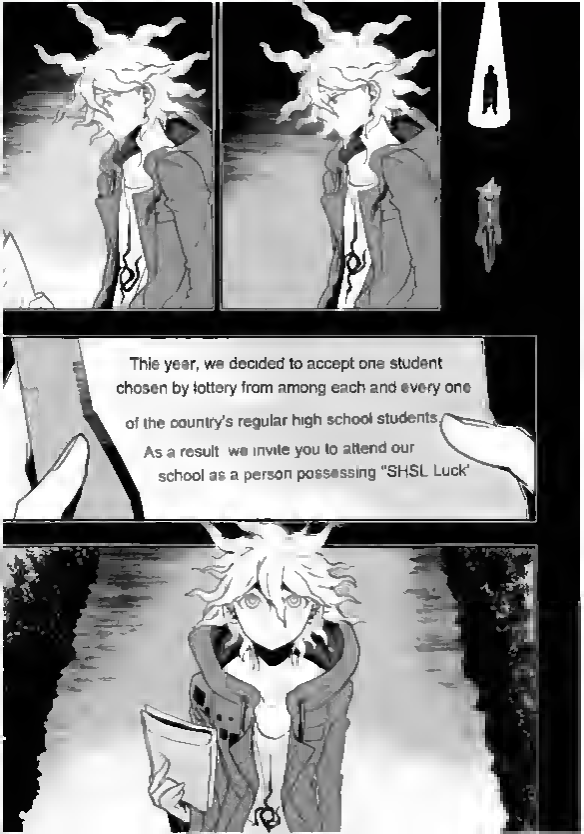
these meaningless things will be easily destroyed
they're nothing more than weak and useless hope
the "true hope" won't be easily destroyed because of the influence
of some trash like me...



This year, we decided to accept one student
chosen by lottery from among each and every one
of the country's regular high school students.
As a result we invite you to attend our
school as a person possessing "SHSL Luck'

ding dong
dang dong
a body has been discovered!
After a short time for investigation, we will start a "class trial"!
...
ko...
koizumi...
why did something like this happen again...?
uuuh
ah

hey monomi... can i ask you a favor?
huh? a favor? you need to go to the restroom?
no, not that...
can you untie me?
uuwawa th-this...
if we don't get the clues to find out the murderer, everyone will be killed, right?
even a trash like me might be helpfull with something...
i can ask you only, monomi
uuh uuuuuh

thank you
from now on, you must get on well with everyone and not end up like this again
komaeda should investigate with everyone
th.. that's true
i got it
and also
komaeda is not some trash
you have to be more self confident
